September Tidbits Apples!

This month, we've been enjoying one of God's best fall gifts: apples! We've followed the life of an apple from seed to fruit to tasty apple creations!

We discovered a house with no windows or doors and a star inside, and sang a silly song about apples and bananas. We will even take a trip to an apple orchard! We've also been learning about Piet Mondrian this month. His use of lines and primary colors made for really bold and bright creations in our classroom!

September also brought many wonderful feasts! For the Elevation of the Cross, we had our annual school blessing and planted basil to help us find the Cross like St. Helen! We made apple muffins to celebrate St. Euphrosynos, and we even got to learn about Jonah and the whale.

Kids love to help in the kitchen! Try letting them measure ingredients, count out pieces, and set the table.
