## Math:

In October, we learned numbers 4, 5, and 6, as well as reviewed 0-3. We have focused a lot of energy on recognizing, naming, and continuing patterns.

## Community Helpers:

Thank you to all of our community helpers that visited us this month! We learned so much from each of you!

## Literacy:

October brought with it letters Dd, Ee, Ff, and lots of writing activities! We practiced spelling and writing our names, and we will soon start last names!

Our literacy journals are coming along nicely, and each week, we have a new alphabet craft to hang on the wall! Kindergarten students have also started learning some basic reading skills this month.
