

Ms. Elizabeth's Class

October News letter

September went by so fast. Everyone appears to be settling in and starting to learn our classroom routine. We are forming new friendships each day. This month is going to be full of farming. We will be building our own classroom farm and learning all about different areas and animals that live on a farm. We will be taking a break from making our letter puppets each week. If your child still wishes to make these please let me know. I will be more than happy to make copies for you to make them at home with them. They were just taking up so much of our classroom time that I felt they were going to miss out on to many other fun activities.

Week of...

October 5th we will be working on the letter D

October 12th we will be working on the letter E

October 19th we will be working on the letter F

October 26th we will be working on the letter G

Remember if you have something that starts with the letter of the week or the theme of that month please feel free to have your child bring it in and share it with us.

We will be learning about the different types of animals that you would find on a farm and what special gift that animal gives us. Example chickens give us eggs, cows give us milk. In doing this they will be making their very own farm books. We will as well be looking into what different types of plants and vegetables grow on a farm. At the end of the month we will have a chance to go to a real farm and look at all the wonderful things that we are learning about.

Ask your child...

1. What kind of animal would I see if I went to a farm?
2. What types of plants grow on a farm?
3. What type of buildings would I see on a farm?

4. **Wish list:**

- Soap
- Paper towels
- Hand sanitizer
