

November Newsletter

St. Nicholas Preschool Classroom

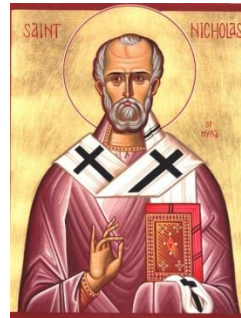

Ms. Johanna

In October we...

We learned all about community helpers! We learned about community helpers such as doctors, singers, fire fighters, and coaches!

A BIG thank you to our parents who were able to come in and share...the children absolutely loved it.

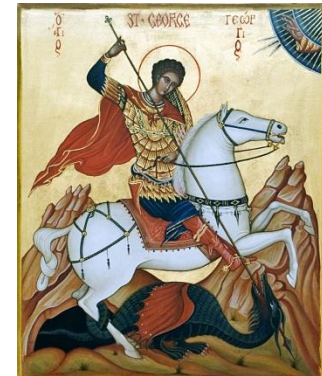

We learned all about the letters a, b and c. We also started our math exploration of patterns and shapes!

Reminder

Please keep in mind that the weather is starting to change, but is still very unpredictable. Please send our friends in layers!

Please make sure to check mailboxes both inside and outside of the classroom for outgoing mail!

**November's Monthly Theme:
When the Saints Come Marching In!**

Important dates in November...

November 1: Christos' birthday

November 2: Open house

November 21: The entry of the Theotokos into the temple

November 22: Thanksgiving feast!

November 29: Half day

The Month of November will be focused on learning all about the great Saints of the church (including the patron saints of our students). The idea is to educate our students on upstanding historic members of our ancient faith, and how we can follow in their footsteps. Lessons will incorporate faith-based teachings with school academics!
