

October Newsletter

St. Nicholas: Preschool

Ms. Johanna

In September we...

Made a great friend, Pete the Cat! We read about Pete's experiences and learned that we have a lot in common like starting school and seeing the good in everyday!

We learned all about the letters a, b and c. We also started our math exploration of patterns and shapes!

Additionally, we have dedicated Friday's project time to science! We look forward to a year of end-of-the-week experiments!.

Important dates in October...

October 5: Alexandra's birthday!

October 16: Annual Benefit Evening

Reminders

Please keep in mind that the weather is starting to change, but is still very unpredictable. Please send our friends in layers!

Please make sure to check mailboxes both inside and outside of the classroom for outgoing mail!

*Please see attached letter for more information.

October's Monthly Theme: Community Helpers!

The month of October will be all about community helpers! We will learn all about the helping members of our communities including doctors, teachers, fire and safety workers, and more! In October we will be focusing on the letters **D**, **E** and **F**, and will continue our **shape** and **pattern** exploration in math.
