

## NEWS FROM THE CLASSROOM OF ST. NICHOLAS

*St. Nicholas was the Bishop of Myra in Asia Minor in the 4th century*

***The Troparion of Saint Nicholas***

*The truth of things hath revealed thee to thy flock as a rule of faith, an icon of meekness, and a teacher of temperance; for this cause, thou hast achieved the heights by humility, riches by poverty. O Father and Hierarch Nicholas, intercede with Christ God that our souls be saved.*

Slimy and Creepy and Crawly - What a fun month! We've explored, found, created and experimented with lots of our fun creatures! Would you let a caterpillar dance on your hand? Do you know what ants like to eat? Have you ever tried to spin a web? We even ate dirt with worms in it (thanks to Miss Emily)!

It was so fun to watch the children become scientists outside with their magnifying glasses. They love to explore!

We're learning the days of the week and what yesterday, today and tomorrow mean. Singing helps us learn the days of the week and the months of the year. We've also

had a lot of fun learning about Opposites too - inside/outside, over/under, happy/sad... It's a great way to occupy their little minds when in the car or at the dinner table.

### **Favorite Book of the Month**

After reading many books together this month, the overall favorite is **The Very Clumsy Click Beetle** by Eric Carle. We had a lot of fun making our own click beetle and seeing if they could really flip!

### **Favorite Song of the Month**

How many times can we sing "I'm bringing home a baby bumble bee..."? Again, again, again...
