# Sonia's Run

...building on a dream

### About Sonia and Theophany

A beautiful young woman named Sonia Daly, inspired by her own high school experience, had a dream that one day, Orthodox Christian children in the Boston area would benefit from a strong academic and spiritual education founded in the teachings of the Orthodox Christian Church. Just barely 18 years old, but with enough determination to light the world on fire,

Sonia set out to make this dream a reality. She gathered up Orthodox faithful from around the region and started the Theophany School, which opened its doors to 17 beautiful children in September, 1997.

Sonia's dedication to her Church and her unwavering faith are what guided the School as it grew. Sadly, our dear friend Sonia passed away in early 2008 at age 32. We wish to continue her mission by picking up the torch that she carried so faithfully, and to build on her dreams for Theophany School. ### Get Involved

Part of what will make Sonia's Run special is the participation of many people who will lend their energy and love to the event -- guiding runners through the course, manning a water station along the route, putting up signs, cheering on the runners, and generally creating a fun atmosphere. If you'd like to volunteer for Sonia's Run, or for more information, please contact Race Directors, Albert or Jack Daly, 781.608.5138, or via email at [AlbertDaly@gmail.com](mailto:AlbertDaly@gmail.com).
