December 2009

## Do you see what I see?

A study of the nativity icon

For the month of December we will be looking at the Nativity Icon. Each week we will look at a different part of the icon and see what it symbolizes. We are also going to be working on the letters K-M

- Week1: Mary and Archangel Gabriel  
Letter K
- Week2: The angels who brought "good news of great joy"  
Letter L
- Week3: the three wise men (gifts)  
Letter M
- Week4: the shepherds and Jesus

This is going to be a fun filled month for our classroom. If you have anything that goes along with our theme please be sure to send them in to share with our class.

## Wish list

- Soap
- Small jewelry boxes
- Hand sanitizer

## Spotlights

Last month's stars:

P. was working hard with B. and A. making the Mayflower. G., G. and G. were working hard adding telescopes to the Mayflower. S. and A. had a blast in the sensory table trying to catch fish for the pilgrims to eat. J. and E. were working hard making the Mayflower flower to add to our boat. N. had a blast making the jellyfish that she made with her classmates that now hang around our classroom. I cannot wait to see all the fun ideas that they come up with to go along with our December theme...
